Electricity Bill Direct Debit Authorization Guidelines

- 1、Our bank will process this service by helping our clients paying their electricity bills from their accounts.
- 2、The client(applicant) who entrust our bank paying their electricity bills should fill out Authorization Application form based on the information on bills, and assign paying account, signature of above is required the same.
- 3、The obligation of our bank paying bills is effective only after receiving confirmation from Taiwan Power Company, Client should deal with payment before the confirmation.
- 4、The obligation of our bank paying bills is effective only when clients have enough balance to cover bills(client should keep). Once balance is lower than bills amount, bank will not proceed any deduction.
- 5、Once the client has no enough balance, or other legal incident makes entrust deduction can not proceed, our bank are eligible to terminate the authorization, client should take all deriving responsibilities and losses for their own.
- 6、Unless entrust terminate, Clients are not allowed to refuse pay the bill from account, or should take all deriving responsibilities and losses for their own.
- 7、Once Clients close up the entrust paying account means entrust terminating, client should take all deriving responsibilities and losses for their own.
- 8、When a client wishes to discontinue the deduction service, the client should send a written notification to our bank, and our bank will contact the Taiwan Power Company's local service center to notify the discontinuation, which will be in effect at the date of the receipt of the notification.
- 9、Once Taiwan Power Company rearrange the customer number, Clients agree our bank continue deduct bills from assigning account following Taiwan Power Company new customer number.
- 10、If there is any question about the electricity bill, the client should contact the Taiwan Power Company's local service center directly for inquiry. If any problem occurred due to address changes, suspension, or other problems, the client should contact the Taiwan Power Company's local service center and complete the required procedure and contact our bank. Our bank does not take responsibilities for the client when changes are not made.
- 11、Our bank will stamp the electricity bill receipt, and it has the same authority as the Taiwan Power Company .
